LET'S MAKE NOVEMBER A GREAT MONTH!

CHAPLAIN'S CORNER

Faith in Action

"Even more blessed are all who hear the word of God and put it into practice."

- Luke 11:28 NLT

In relationships, our words only count for so much if they are not backed up by action. The same is true in our relationship with God. Where we agree with the Word of God in what we say, think, and believe, may we also live those truths in practical ways.

Consider the last time you gave someone advice. Was it something you believed to be true? Is it also something you have been living? Truth can become such a familiar part of our thinking that answers come easily, yet it does not always show up as clearly in the choices we make.

Let us be people who practice what we proclaim and put our faith into action.

Prayer

God, you are so incredibly gracious toward me. Give me eyes to see where my life is not aligned with your truth. By your Spirit, empower me to live the truth of your radical love in every area. You are worthy of my trust.

- Thank you to every volunteer who cooks, serves, sets up, cleans, welcomes guests, and supports our programs. Your time and dedication make everything we do possible.

AMERICAN LEGION RIDERS DIRECTOR

VAN HUBBARD

- The Legion Riders continue to represent Post 99 through fellowship, service, and support for Veterans and their families. Wear your vest with pride and remember to report your miles each month.
- November is especially busy with Post events, Veterans Day activities, and the Thanksgiving holiday, making it difficult to find a ride date that works well for everyone.
- We will announce this month's ride as soon as scheduling allows. Please watch the Post website and Facebook page for updates, and join us when the date is confirmed.
- In the meantime, please support Post 99 events, welcome fellow riders, and share our mission with anyone who may be interested in joining the American Legion Riders.

FROM THE SAL COMMANDER

AARON THORNTON

- October was a strong month for Sons membership renewals, and we were pleased to welcome several new members. Thank you to everyone helping our squadron grow.
- If you have not renewed, please pay your dues as soon as possible so we can keep the momentum going throughout November.
- Tuesday Night Bingo begins at 6:00 PM. Invite friends, participate when you can, and help make this new weekly event a success.
- Thursday darts continue to offer great fellowship with members and potential members. Please support the league, participate, and help everyone feel welcome.

FROM THE AUXILIARY PRESIDENT

JAMA NICKLES

jamanickles.al.aux99@gmail.com

October was a wonderful month as Unit 99 returned to regular activities with the residents of the William F. Green Veterans Home following last month's illnesses.

We enjoyed hosting a burger cookout at the home and spending time visiting, sharing stories, and enjoying fellowship together. A special thank-you goes to all Auxiliary members, Sons, and Legionnaires who prepared food and helped make the event a success. We could not do it without your support.

Service is strongest when the entire American Legion Family works together.

FROM THE AUXILIARY PRESIDENT - CONTINUED

We were also delighted to welcome a group from William F. Green to Post 99 for burgers, bingo, music, games, and fun. Everyone had a wonderful time, and the Veterans appreciated the opportunity to socialize with our members. Many shared that they miss Judi and look forward to seeing her again soon.

Thank you to Mel, Tammy, and Debra for representing Unit 99 at Department Leadership Training held at Unit 199 in Fairhope. We appreciate your dedication and willingness to learn and grow as leaders.

Our membership is currently at 45% of goal. If you have not yet paid your dues, please do so soon. Every membership helps us support Veterans, military members, and their families.

For God and Country,
Jama
President, American Legion Auxiliary Unit 99

SERVING OUR COMMUNITY

This month, Post 99 continued answering the call to serve Veterans in need. With the support of our members and community, we provided two electric wheelchairs, three walkers, and other essential assistance to help Veterans live with greater safety and independence.

We also provided more than $1,080 in direct financial assistance, helping with phone bills, electric bills, and other urgent household needs. Every piece of equipment and every bill paid represents a Veteran or family we are honored to stand beside.

We also mourn the loss of our wonderful member, Walt Robinson. Walt's friendship, service, and presence will be deeply missed. We extend heartfelt sympathy to his family and friends, and we honor his memory by continuing the work of caring for one another.

Let us lift one another up, answer the call when a neighbor needs help, and continue building a community rooted in compassion, dignity, and hope.

Join us for the Veterans' Breakfast on November 28 from 8:00-10:00 AM. Invite a Veteran, bring a friend, or volunteer to cook, serve, and offer a warm welcome. Together, we can make sure every Veteran knows they are appreciated and never alone.

GROWING TOGETHER

Post 99 grows stronger every time someone feels welcomed, valued, and invited to take part. Growth is about more than numbers - it is about building relationships and helping people discover a place where they can serve, belong, and make a difference.

Invite a Veteran, family member, or friend to visit the Post. Introduce them to our members, share the mission of the Legion, Auxiliary, Sons, and Riders, and encourage them to join an activity that interests them.

Every membership, volunteer hour, and friendly welcome helps our American Legion Family grow and expands the care we can offer Veterans and their families.

SERVICE	FELLOWSHIP	FAMILY

MEMBER SHOUT-OUT

BRUCE & LINDA FALCON

Serving side by side with generosity and heart.

This month, we are honored to recognize Bruce and Linda Falcon, two dependable members whose continued support means so much to the Post 99 family.

Whether they are helping in the kitchen, lending a hand at Bingo, supporting the Legion Riders, or stepping in wherever they are needed, Bruce and Linda serve with kindness, enthusiasm, and a genuine love for our community.

Their willingness to work side by side and support so many parts of Post 99 is a wonderful example of teamwork and service.

Thank you, Bruce and Linda, for your generous hearts, steady support, and all the ways you help Post 99 feel like family. We appreciate you both!
